## Feeding The Flock

By Father Tim Harrison

Have you ever seen one of those paintings that look like random dots of colour that project no image – but then as you gaze at it, suddenly something like the Eiffel Tower or the Toronto skyline come into view? Many of Jesus' teachings seem to work this way. We often need to read and re-read some gospel passages just so that we can re-focus our minds according to God's wisdom. That's why it is so important to ponder the Scriptures prayerfully and not try to read them just for the "raw data" they provide. We need to experience the Holy Spirit re-orienting our perspective so that we can see through Christ's eyes.

How can the poor and the hungry be blessed or "perfectly happy"? Of course, extreme poverty and hunger cause a human misery that must be addressed in an immediate and material way. Yet here Jesus is teaching that those who seek satisfaction through material wealth are often masking an innate longing for God. Those who admit their utter poverty apart from knowing God and, forsaking other pursuits, hunger and thirst for his Spirit – these are the ones who will be rewarded with true and lasting happiness.

To those who are weeping and mourning, Jesus does not say "get over it." He is not advocating pragmatic resignation, for instance, to the death of a loved one. But he also assures us that those who weep with Him now will laugh with joy later, for they will be consoled beyond their hopes. Jesus knows that love demands a permanent union, and He promises that we can experience this in His kingdom.

"Blessed are you when people hate you and ... exclude and insult you" (Luke 6:22). We humans are intricately connected to each other. The slightest sour look or belittling tone from just the right person can crush us for days. How can being hated and excluded bring us perfect happiness? When we are persecuted because of Christ, it is because we are bumping up against old earthly mind-sets. This is when we should rejoice and pray for our persecutors: May they pause and wonder at our response – and perhaps turn to Christ as a result!

*"Thank you, Father, for giving me the mind of Christ. Help me today to keep my mind on the things above, where Christ is seated in glory." ❖*

## District Deputy's Dissertations

By S/K Alain Langlois

I think it is time now to reflect on the Knights of Columbus theme to keep "CHRIST IN CHRISTMAS". It is too easy to overlook the importance and the implication behind the message. We are overflowed with ideas of commercialization during the season and the rush to get things ready for the festivities. The message reminds us to make time amid the hustle and to reflect on the holiday's religious nature.

At Christmas we honour the birth of Jesus Christ, our salvation and hope. We have to understand the importance and beauty of the birth of Christ and its Divinity and what that means to humanity. Christmas is one of the few festivities that is celebrated throughout the world by people of different faiths. The holiday promotes a sensation of goodwill and fraternity amongst all.

The birth of the Christ child must remain the pivotal point of the celebration. There is no stronger tie conveying love, compassion and good things for all than the life of Jesus and his resurrection. It is truly our hope for the future and salvation for all.

Christ must remain strong and alive at Christmas for all to see. I wish the very best for you and your families as we celebrate the birth of Christ this Christmas.

Merry Christmas and Happy New Year!

VIVAT JESUS

## Q&A from Health Canada

**Q:** The Stanley Cup was recently on tour in my home town, and I kissed it. Do I have to worry about being infected with listeria?

**A:** You are safe. The Stanley Cup has not been in contact with any Maple Leaf product in over 40 years.

-----

**Why worry? Moses turned out to be OK and he started as a real basket case.**

## Grand Knight's Report

By S/K Larry Judge

Dear Brother Knights,

Our council has been busy. In October, we had our first John Sands Concert, chaired by Al Minifie. It was so successful that many of the attendees asked us to do it again next year. I believe we are tentatively setup for sometime in late August. On November 1, we had our second annual Ham & Turkey Raffle, chaired by Alex McLeod. Again it was very successful with our proceeds almost doubling last year. In November, we held our new member drive with presentations made at all Masses of both Churches. We also participated in the local Remembrance Day parade and the Local Santa Claus parade on November 29. Finally, we are being asked to help with the Brockville Senior games this winter.

One of the State objectives this year is the "Keep Christ in Christmas" theme. As a result, we will handout 1000 "Christ is Christmas" pins between the two churches. Some Knights have also purchased lawn signs printed with "Keep Christ in Christmas".

As mentioned in the September newsletter, our theme this year is participation and, so far, I think we are getting quite a few Knights and their families involved. This makes the load a lot easier. Thank you for your support.

May you and your family have a very Merry Christmas and a safe, healthy and prosperous New Year.

Merry Christmas!  
Larry Judge  
Grand Knight

1. Stan was born in Poland and immigrated at the age of six with his father to Canada. He was raised by his father and grandparents in Hamilton after his mother passed away giving birth to him.
2. In 1974, Stan married his gorgeous child bride, Donna, and began his OPP career at the Burlington Detachment. They moved to Geraldton, northeast of Thunder Bay, for five years. They adopted their son Lucas (five weeks old) before Stan was transferred to the Guelph Detachment.

7. Stan and Donna are proud of their family. Lucas is married with two boys and two girls, lives in Bancroft, and runs his own internet service. Chrissy graduated from Sir Sanford Fleming College with a Computer Security Investigations diploma, works for DriveWise, and lives in Midland with her OPP boyfriend. 10. Stan enjoys working on computers (building systems, Photoshop CS3, video programs, and games), and serving in many capacities as a Third Degree Knight with Brockville Council 1049.

## Talkin' Turkey

I would like to express my heartfelt thanks to all those who assisted with this year's turkey and ham raffle by selling tickets, picking up door prizes, and, of course, volunteering to work the raffle. Our attendance and sales were well above last year, and I am happy to report we raised nearly \$2,000.00 for our charities. This event is only possible with your assistance. It is reassuring to have such a wonderful, thoughtful, and giving team of individuals helping with every aspect of making the raffle a success year after year. This year's council theme of "participation" was certainly heeded by the following brothers:

S/K Len Libitz, S/K Jack Bolger, S/K Dave Crawford, Jack McNamee, Lloyd Cameron, Stan Balemba, Rick Fraser, Andre Seguin, Ray Brennan, James MacKenzie, Remi Ouellet, Jason Ouellet, Bob Visneski and his wife Susan.

Many positive comments have been received. Let's make the 2009 Third Annual Turkey and Ham Raffle Night a huge success. Tell all of your friends and get your tickets early!

S/K Alex McLeod  
Chancellor

## John Sands Concert

Fans of John Sands were pleased to hear his performance at Saint John Bosco Church on Wednesday, October 15<sup>th</sup> at 7:00 p.m. The two hour concert included an eclectic programme of instrumental music including Celtic, light Classical, Sacred and popular songs from various hit shows.

John Sands great love for music and warm personality resonated throughout the concert. Thank you to S/K Al Minifie and Jack McNamee for their hard work in organizing this event. Some of the proceeds from the concert were donated to the Priests' Retirement Fund.

## Message from your Fraternal Counselor – Jamie Lepper

Christmas Greetings from my family to yours! May you enjoy the peace on earth with your family during the upcoming holiday season. We can all use a break and a little quality family time.

1. The KNIGHTS have a fantastic new life insurance product as of November 15, 2008. It is called a **Graded Death Benefit**. If you or a family member has ever been turned down for life insurance, you need to call me NOW about this. Even if you have been declared un-insurable, this product can offer your family protection where other commercial insurers cannot. Call me for further details; I am in this fraternity to protect you and your family.

2. Our new **Tax Free Savings Account** is coming on line January 1, 2009 and it has to do with the recent legislation passed by our government regarding a \$5000 per year tax protected instrument. I am sure many families will want to take advantage of this tax free savings account. The most striking feature of the TFSA is that withdrawals can be made at any time, at any age, and for any reason and the interest is always tax free.

3. Carl Anderson, our fraternal leader, has issued a statement about the Knights involvement in the recent financial turmoil. In short, we are NOT materially involved in the sub-prime mortgage fiasco south of the border. This is not to say we will not all be affected as the effects will be felt for some time around the world. Go to our website [kofo.org](http://kofo.org) to view his statement in full. We still have \$14 billion in assets, and have received top ratings from Standard & Poor and from A. M. Best.

Call me for further information on any of the above issues. I am here to serve the membership. Tempus Fugit!  
Fraternally,  
Jamie Lepper (613-325-9203)

### Treasury Chest By Paul Kundlacz

Many thanks to all the respondents for my e-mail address updates. The list has grown to over 30 right now ... so if you haven't remembered to update yours, please send an e-mail to [gagarinpk@aol.com](mailto:gagarinpk@aol.com) with "address update" in the subject heading. I will add you to the list when I receive your email.

We have had some good support for our fundraising events this fall:

1. The Seminarian Dinner fared very well with over \$1,200 raised from the St. Francis Xavier seminarian collection and another \$1,300 from the event itself. The lions share was donated by Council 1049 to the Kingston Diocesan Association and the remainder was shared between two seminarians and Anne Norton who was travelling to the U.S. for discernment.
2. The John Sands Concert raised over \$1,300.
3. The Ham and Turkey Raffle raised \$1,488 for Palliative Care. 125 people attended the raffle and almost 1600 spin tickets were sold at a cost of \$2.00 each. It was a great night for the Kundlacz family as we went home with a ham and two door prizes.
4. The Christmas card sales are ongoing as I write. Thank you to those who have purchased cards from us.
5. We are delighted with the response to the "Christ is Christmas" buttons that council members have been giving away just before Masses at both churches for the past three weeks.
6. Like some other Knights, we have a Christmas lawn sign in front of our home which was purchased from the Knights of Columbus in Kingston.

Please keep in mind the New Year brings with it membership renewal and the Financial Secretary semi-annual audit. If you have any outstanding bills or receipts, please get them to me as soon as you can.

With very best wishes for the Christmas season,  
Paul Kundlacz

## **SEEK AND YE SHALL FIND ...**

News from our Membership Director

We had our fall membership drive in the five parishes within our council district. Please welcome our newest member, Brian Hart. He received his First Degree in late October. In addition, we have two members transferring from Ottawa to join our council in the New Year. A second membership drive will begin in the fall of 2009.

Thanks to Grand Knight Larry Judge for promoting our membership drive at St. John Bosco.

Membership Chairman

## **Program Director's Report**

Dear Brothers,

Here we are half way through our fraternal year and Council 1049 has been active to say the least. We hosted the Seminarian Dinner for the Diocese and it is said the event was one of the best in a long time. We thank our Fourth Degree Sir Knights for their co-sponsorship of this great event.

We have filed reports on other successful programs to date including: the John Sands Organ Recital, the Ham and Turkey Raffle, the Remembrance Day Parade and Ceremony, the Mass for Deceased Brothers, and the Santa Claus Parade. All were in the forefront showing our council involvement. Many long standing programs supporting the church and council occur monthly including Mass servers, degrees, funeral assistance, etc.

Your Council is active ... Are You? Despite the activities, we are yet to see the involvement of more Knights. The average attendance at our monthly meetings since September is only 28 members. Fortunately, one out of four members is taking the opportunity to have their voice heard. Unfortunately, three out of four are effectively silent. All of the aforementioned activities have seen poorer member attendance than the average number of members who attend our meetings. Your executive is compiling surveys and reports for the Supreme Council semi-annual audit this month. We will be reporting back to the membership. We have hundreds of hours of volunteer time which makes our Council shine in comparison with many others in Ontario. We can be proud!

However, we can do more. Help lighten the load. If every member participated in two or three programs, it would make a tremendous difference. You don't have to work in every event, but you can bring your family and friends to help build participation in many ways. There are plenty of family and social events waiting for you.

Upcoming in the New Year is the Car Draw Raffle, Basketball Free Throw, Palliative Care Telethon, Appreciation Dinner, Spaghetti Dinner, Blood Donor Clinic and many more to come in the spring.

Help keep your council, your church, your parish and your community strong. **PARTICIPATE!**

Brother Dave Cody, PGK  
Program Director  
Deputy Grand Knight, Council 1049

## Congratulations Bill and Alex!

Congratulations to S/K Alex McLeod and S/K Deacon William (Bill) Heasley! They recently joined the ranks of the Sir Thomas J. Larkin Assembly as Fourth Degree members. The above photographs were taken shortly after the conclusion of the exemplification.

# The Fourth Degree ... The Patriotic Degree

Congratulations to the newest Fourth Degree members of the Sir Thomas J. Larkin Assembly ... please welcome S/K Alex McLeod and S/K Deacon William (Bill) Heasley!

On February 22, 1900, the first Exemplification of the Fourth Degree was held in New York City. Patriotism was added to the three original principles of the order: charity, unity and fraternalism. The focus of the fourth degree is on patriotism - an abiding love for devotion to one's country. The primary purpose of the fourth degree is to foster the spirit of patriotism by promoting responsible citizenship and a love of and loyalty to each knight's respective country through active membership in their local fourth degree assembly.

The fourth degree hierarchy is as follows:

1. Supreme level: The Supreme Master and the Supreme Board of Directors,
2. Twenty provincial structures,
3. Each province has a Vice-Supreme Master and is divided into districts,
4. Each District contains a number of Assemblies lead by a Faithful Navigator,
5. A Master is in charge of a District and usually has a District Marshall to assist him.

Certain members of the fourth degree serve as colour guards and honour guards at civic and religious functions. Worldwide recognition of the Knights of Columbus has been achieved through this active service in the community. The Master wears a gold cape and chapeaux while his District Marshall wears a green cape and chapeaux. The Faithful Navigator of an assembly wears a white cape and chapeaux while his commander wears a purple cape and chapeaux. Finally, all other members wear a red cape and white chapeaux.

When the public sees the Knights of Columbus on parade, they see the visible arm of the church. When we attend wakes and funerals of our deceased brothers, the community sees the visible Knights of Columbus. So, come and grow along with us.

Vivat Jesus.

S/K Len Libitz

Faithful Navigator - Sir Thomas J Larkin Assembly

## Happy 50<sup>th</sup> Birthday Father Tim Harrison!

The Saint John Bosco congregation attending the 10:00 a.m. Mass on December 14, 2008 was treated to a very special Coffee Sunday by the Knights of Columbus Council 1049 and the Sir Thomas J. Larkin Assembly. As Mass concluded, the 50<sup>th</sup> birthday party for Father Tim Harrison began with the ceremonial presentation of the cake by S/K Alex McLeod & S/K Al Minifie accompanied by a Knights of Columbus honour guard.

Faithful Navigator Len Libitz delivered a heartfelt speech outlining the many accomplishments Father Tim has directly promoted, guided, influenced and led at St. John Bosco parish during his five year tenure.

Father Tim was pleasantly surprised by the presentations and the unexpected attendance at Mass by his mother and extended family.

Pictured at left are two girls from Saint Francis Xavier School who presented Father Tim with a stack of birthday cards created by their classmates.

Thank you to Tait's Bakery for supplying Father Tim's birthday cake.

Many happy returns Father Tim!

Three old mischievous Grandma's yelled at an old Grandpa walking outside at the nursing home, 'Bet we can tell exactly how old you are.' The old man said, 'There ain't no way you can guess it, you old fools.'

One of the old Grandmas said, 'Sure we can! Drop your pants and under shorts, jump around three times and we can tell your exact age.' Anxious to prove a point, he dropped his drawers. The grandmas said, 'You're 87 years old!'

Standing with his pants around his ankles, the old gent asked, 'How in the world did you guess?'

Slapping their knees, all three old ladies happily yelled in unison ... 'We were at your birthday party yesterday!'

## Help Sell the Arthritis Society Tickets for 2008 - 2009!

Grand Knight Larry Judge asked me at the November meeting to lead this year's arthritis canvassing drive. To date, we have raised \$230 after Gary Brett gave us permission to sell tickets at ValuMart on December 4, 5 and 6, 2008. Thanks to Bill Heasley, Tom Leeder, Dusty Miller, Andy Sequin, Ray Brennan, Gerry McNamee, Maurice Belec, Lloyd Cameron and Pat Donovan for helping to sell tickets. I have booked the 1000 Islands Mall free of charge for January 15, 16 & 17, 2009 and, with the help of my brother Knights, would like to exceed our sales of \$2200 last year for the Arthritis Society. Contact me to sign up for a shift if you can. Spread the word and let's exceed our goal!

God Bless our membership.  
Jack McNamee

### Faithful Navigator's Charting

It is with great pleasure and pride that I take pen in hand to say a few words on this new venture of our assembly's newsletter. I must first take a tip of the chapeaux to brother S/K Bernie Currier for helping to spearhead this venture. It has been discussed and a decision has been made to publish three times in this our first year. It will depend on the officers of the assembly and the Grand Knights of the district to make sure their input reaches Brother Bernie for publication. Last and most importantly, it is important that you, as members, also have the opportunity of writing for the newsletter of our assembly.

Our assembly keeps growing at a steady rate and is the envy of many assemblies of similar size. At the recent exemplification in Cornwall, I was asked many times what I as the faithful navigator do to get such enthusiasm among the Sir Knights. My reply was simply that we are a family of men and their ladies. Just as a side note, it was certainly an honour and pleasure to entertain our Past State Deputy Armond and Bishop Jean-Paul. Bishop Jean-Paul's playing and singing was a most welcome treat.

We are busy at home at this time of year. In the council and in the assembly, we find the fortitude to participate in the honour guards for Remembrance Day. Our Faithful Friar, Father Apeleman, extended sincere thanks at the recent Confirmation for our continued presence at the special functions of the church. Our next guard will be at the cathedral in Kingston when we join with our brothers from other assemblies to help celebrate the Feast of the Immaculate Conception.

On November 29, we will again be hosting our ladies for our annual Christmas dinner. This will be our last assembly activity until our meeting in January. The January meeting will be a dinner meeting at beginning at 6.00 p.m.

In closing Sir Knights, we have a challenge in our society today to keep Christ in Christmas. Wish people you come in contact with a Merry Christmas and not "happy holiday". Our mandate is to do what we can verbally in greeting and in action. For example, ask for the Nativity scene when buying stamps for Christmas cards.

I would ask each and every one of you and your family to remember in your prayers the service men and women stationed throughout this world ... that they may come home safely.

From my wife Bev and me, we wish each and every one of you and all of your families a happy and Holy Christmas season.
